Its going to be a lot of fun, because the Beyblade toys that you will control will look different, and they will even have different traits that will help you be more powerful Beyblade fighters, so you have to make sure that in the shortest time, you will manage to learn the abilities of Beyblades and see how many fights you will manage to win against all of your enemies.. Beyblade is a round toy that can have different devices and different designs and colors based on the players personality.. The Defense or the Defender is the strongest of the Beyblade toys, and you can see that they have a very powerful shell made from different parts that are not made only from plastic like the attacking or the stamina blades.. Three round toys is the maximum number that one Beyblade can have on himself at once, so you have to make sure that you can have a fast toy, a powerful one, and a magical one in order to have different strategies for each game.. The Stamina or the Endurance will be made from different parts that are lighter and that will make the Beyblade be faster than the average and see how they will last longer spinning through the battles, but they will be weaker against the attackers because the pieces are not going to be as strong and as powerful as the other blade toys that you can find in this new story.
