FAQ

Much like older versions of Windows had a quick-and-dirty instant messaging

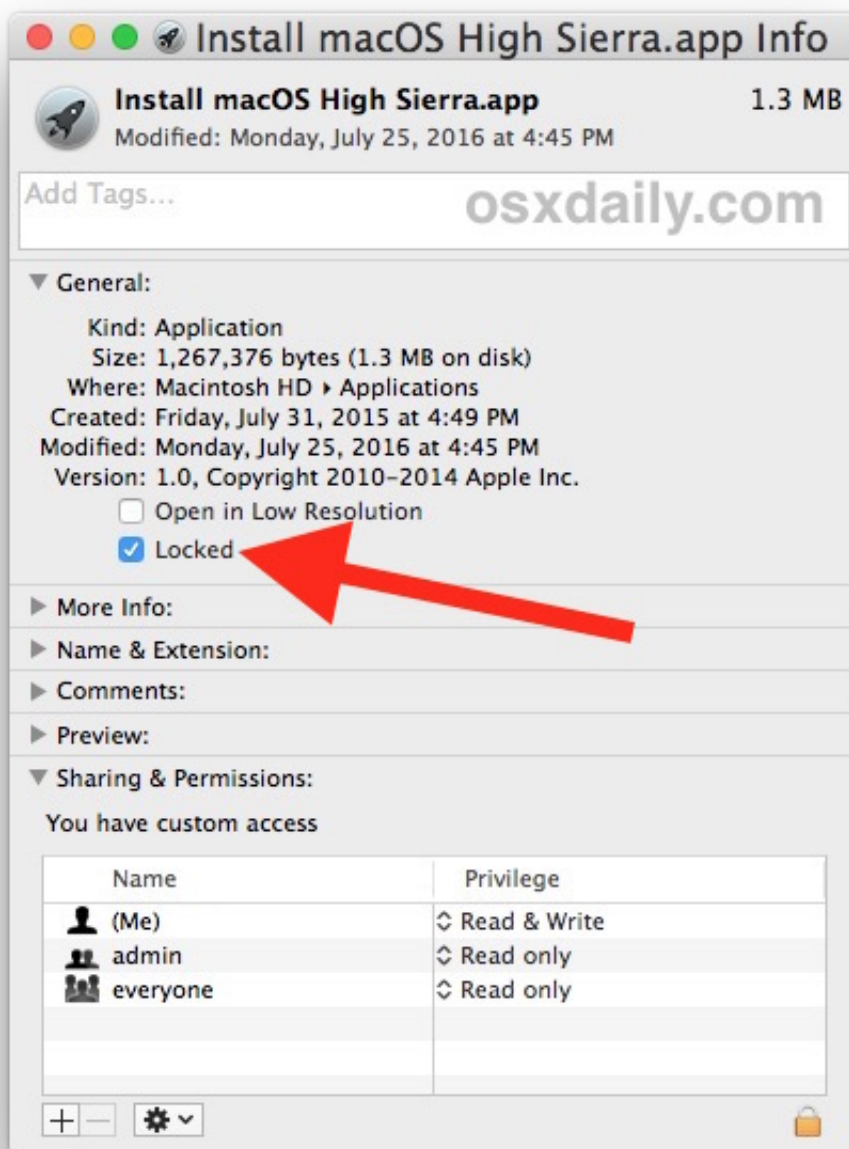

1. [where send tax return](#)
2. [where send 941](#)
3. [where send fax](#)

When you get to your other Mac, open your email client and download the message and its files.

where send tax return

where send tax return, where sendong form, where send 941, where send 1040, where send fax, where send old driving licence, where send irs payment, where send 1040x, where send amended tax return, where send estimated tax payments

This is a good way to send files to a Mac that's not currently running One handy feature when you have multiple systems is the ability to send quick instant messages from one Mac to the next.

where send 941

where send fax
